The Zona Nathan L. Yocum 2012-02 It started with the Storms. The world got too hot too fast. The weather wrecked Hell on man's shiny, pretty civilization. With the heat and wet came bugs, with bugs came new diseases, and man's numbers and sanity dwindled. The survivors reformed governments like petty shadows of the world's old empires. They sought answers and justifications, they sought redemption for what they perceived as man's holy smiting. Welcome to the Arizona Reformed Theocracy, otherwise called The Zona. Here the Church rules with power absolute. The laws are simple, all sin is punished swiftly. Preachers enforce the Church's words like old West lawmen. But what happens when a Preacher refuses to kill? What happens when men of honor take a stand against their rulers?
