Diy Chicken Coops Adrienne Martin 2015-12-14 Getting Your FREE Bonus Download this book, read it to the end and see "BONUS: Your FREE Gift" chapter after the conclusion. *DIY Chicken Coops: (FREE Bonus Included) 10 Simple and Affordable Plans For Building Your Own Chicken Coops* Keeping chickens is a rising trend in this modern day. They are a great way to save money, provide hours of entertainment, and help you become more self-sufficient. You don't have to be into the entire farm picture to have and keep your own chickens, and you don't need to have anything fancy to keep them happy. When it comes to your flock, you can keep them all safe and happy with the minimum. You are going to love how easy they are

to care for, and how fun they are to keep. You are going to save money and time when you have your own flock, and you are going to love how much they liven up your home. Chickens are one of the best ways to make your budget go further, and cut back on the waste you have. They are versatile, and happy in most environments. Which leads us to a simple question. If you are going to keep your own chickens, what are you going to keep them in? You know you want to keep them in something nice, but do they really need anything that is big or fancy? Can you keep them in things that aren't necessarily chicken coops? What about room to run? All of these questions and more are answered in this book, and you are going to find the directions to make 10 different coops that will keep your birds happy, healthy, and out of harm's way. You are going to love how easy these are to make, and you are going to love how safe they are for your birds. Make them from scratch Convert old buildings and materials into functioning chicken coops Save money with your flock of chickens Rest easy knowing they are safe and sound in the coop that you made Download your E book "DIY Chicken Coops: 10 Simple and Affordable Plans For Building Your Own Chicken Coops" by scrolling up and clicking "Buy Now with 1-Click" button!

How to Build Chicken Coops Samantha Johnson 2019-01-08 This revised and expanded edition of How to Build Chicken Coops—one of the best-selling titles in Voyageur's successful series licensed by Future Farmers of America (FFA)—provides complete and easy-to-follow instructions on building a coop, including 16 pages of new content. Voyageur's acclaimed FFA-licensed series has helped countless first-time animal owners confidently care for their new companions. How to Build Chicken Coops provides answers in a one-stop reference so chicken owners don't have to waste time searching online for advice. Whether readers are involved in the FFA, interested in starting an urban or suburban flock, or just curious about country living or urban farming, raising chickens is a great way to get started. And, when you build your own coop, you can make customizations to meet your specific needs and save money at the same time! Beautifully designed and authoritatively written, How to Build Chicken Coops is a trusted guide to new chicken keepers of all ages. Inside, readers will find more than just a collection of plans, but a compendium of the background and insider information for chicken owners. How much space will you need? What is dust bathing? How many nest boxes and windows will your coop need? How much will it cost? What steps do you need to take to keep your chickens safe from predators? Expanded and redesigned to appeal even more to middle and high school age enthusiasts, How to Build Chicken Coops takes the guesswork out of building a safe and comfortable home that's just right for your flock of chickens.

Backyard Chickens for Beginners Micheal Peal 2017-06-11 Backyard Chickens For Beginners Build Your Own Chicken Coop, Learn To Feed & Care Naturally Raising your own chicken comes with so many benefits. Of course, having fresh and healthy eggs is one of these, but did you know that chickens make wonderful pets as well? Yes, you read that right. It is not strange for them to run to greet you when you go to them in the morning or to spend time around you while you are working in the garden. What is even more, they can help you out when it comes to gardening. They will keep away the pests that annoy your plants and will provide the best fertilizer for your garden. In this book, you will find detailed descriptions of the elements you need to think about when choosing the right breed for you. Then, you will learn how to set up your own brooder and take care of those fluffy chicks. While the chicks are growing up, you will have time to build a coop on your own. There's nothing to be worried about. The book gives you the detailed, step-by-step instructions on how to make a plan for your coop, and most importantly, how to build it. When the chicks start living in their new home, you

will have to do one more thing - to decide on their diet. This is another thing you will find in a book - you will learn how, what and how much to feed your chickens to keep them healthy and make them lay eggs all year round. Chapter 1: Choose Your Breed Chapter 2: Build Your Brooder Chapter 3: Build the Coop Chapter 4: Learn to Feed Your Chickens

DIY Chicken Coops John White 2014-12-14 "The chicken coop plans I got from you were great! They were easy to follow and the coop turned out to be the envy of all of my friends. I love my new hobby. Thanks so much for giving me every thing you promised." David Hess, USA This comprehensive book contains the top ten most popular chicken coop plans for the author's website www.ChickenCoopGuides.com. ChickenCoopGuides.com is one of the most popular sites on the Internet for coop design and information because of its practical, easy-to-follow advice. The author and builder, John White, has combined his ten most popular chicken coop designs into one book, and he's also added practical coop information and explanations about each feature. More than six thousand chicken farmers have purchased these plans for two reasons: 1. They're so simple to build that even a novice woodworker can build them in a single weekend, and an experienced pro can tell at a glance what to do next. Most designs require a wood shop full of tools and a lot of experience with construction. Not these designs! 2. Cost matters to us all. These designs are not only easy to build; they're easy on your budget. You can use wood you have already, or find or purchase all the supplies you'll need without spending a fortune. Easy, affordable and professional. It doesn't get any better than that. In addition, you'll also learn: What you need to consider before selecting and building your coop and why placement of the coop is so important to your family as well as your chickens. Once you understand why you're building the coop a certain way you'll see why these designs are perfect for anyone who wants happy, healthy chickens. The basic essentials of chicken coops, like: roosts, ramps, ventilation, nesting boxes, chicken runs, what makes the best (and safest) chicken litter, hint—it's not straw. Why you need to slant the top of your nesting box, and why it needs to be off of the floor of the coop, but not higher than your roosting perches. When you understand why a feature is important you're more able to determine how changing, expanding or even eliminating that feature may affect your flock. And finally, find out what makes the best wire (it's not chicken wire) for wrapping your coops run in to make it the safest it can be.

DIY Chicken Coops: 12 Chicken Coop Plans That Will Teach You How to Build a Dream Chicken Coop Adrienne Witherell 2015-11-18 Getting Your FREE Bonus Download this book, read it to the end and see "BONUS: Your FREE Gift" chapter after the conclusion. DIY Chicken Coops (FREE Bonus Included) 12 Chicken Coop Plans That Will Teach You How To Build A Dream Chicken Coop Your grandparents have chickens, their parents have chickens, your parents may also have chickens. Whatever your experience is with chickens, odds are you grew up with someone who had them, or you know someone who does. Chickens are an animal that is growing in popularity. They have always been a staple in America, but in the recent times, more and more

people are recognizing that they are great ways to be self-sufficient, and they are great at helping you save money. All of these facts are likely driving you to get your own flock of chickens, and raise them yourself. But it doesn't take long in this endeavor before you hit a very important problem... what to put them in. Chickens are different than dogs and cats, they need a little more TLC than either of those animals, and they are pickier about their housing situation, especially if you are going to be using your flock to get eggs. That is where this book comes in, teaching you how to build 12 different coops that are sure to suit your needs and make your new ladies happy, and keep them safe. All of these coops are easy to build, inexpensive, and perfect for any flock of hens that you would like to have. It doesn't matter how good you are with building things, this book is going to help you get what you want, and help you grow that flock you are dreaming of. Each and every one of these coops are: Safe Easy to build Secure Cozy for your hens Roomy enough for 12 to 15 hens And will fit almost anywhere you want it to! Chicken Coops Tom Sutherland 2020-07-22 Build Your Own First Chicken Coop Today and Enjoy the Benefits and Simple Pleasures of Raising Your own Chickens in Your Own Backyard! Raising chickens in your own backyard is both an enjoyable and a profitable endeavor. You raise chickens in a 100% organic way so you get the freshest eggs and the healthiest meat possible. Not only that, the sweet satisfaction and sense of accomplishment you get as you start harvesting eggs are truly priceless. This book contains proven steps and strategies on how to build your own chicken coop. It will guide you through everything you need to know about coop building and a bit about raising chickens. Read this book today and build your very first coop successfully. Chicken coops are enclosures to keep your chickens from running to places where you would not want them to be. It keeps them safe from predators like wolves, foxes and even your beloved pet dog. The main purpose of a coop is to be a safe, protected place for hens to lay their eggs. These need to be protected from predators and bad weather to preserve good health and quality. Hens and their eggs are very vulnerable to predators. There are snakes and small mammals, as well as birds of prey that include eggs in their diets. Larger predators like dogs, wolves and snakes can go after the chicken. The coop serves to keep chickens and eggs safe, especially at night when these predators usually come out to hunt. Here Is A Preview of The Chapters in this Book:- •Chapter 1 :What Are Chicken Coops And Why Do You Have To Use Them? •Chapter 2:Chicken Coop Plans And Designs •Chapter 3:Everything You Need To Build Your Own Chicken Coop •Chapter 4:Start Building The Chicken Coop •Chapter 5:Framing The Chicken Coop •Chapter 6:Installing The Outer-Frame Parts •Chapter 7:Finishing Touches To The Coop •And Finally Chapter 8 will cover the Costly Mistakes To Avoid When Choosing Chicken Coops Get Your Copy Today! Most eggs in the market are not from chickens raised in the best, healthiest conditions. Most of the chickens are fed with artificial feeds and injected with tons of steroids, artificial hormones and antibiotics. All these junk get into the eggs and eventually into your plate. Your Family and Yourself deserve better! By raising your own chickens, you are assured you have better quality, healthier and safer eggs and meat to consume anytime you want.
