Horse treats Do-It-Yourself - Cookbook for horses Edwin Van Der Vaag 2022-04-16

Whether it's for perfectly healthy horses who simply need a new incentive in their daily training, or for sickly horses who suffer from a weak immune system and need a little help accordingly: Feeding horse treats represents an incredible opportunity to strengthen the bond between rider and horse. The trend of horse treats has been around for a few years, but only recently has it really become about making these treats yourself. In the spirit of this trend, new recipes continue to emerge from riders who have put a lot of time into rewarding their pets. The contents of the book are: -

Introduction - Basics of horse nutrition - Horse treats: background information - Making treats yourself: the theory - Making treats yourself: the practice with many recipes - Conclusion In this book, some of the best recipes have been compiled, with a level of difficulty that not even children with their parents can go wrong with. In addition, each one of these recipes is modifiable, so the treats can always be adapted to a horse's condition. Some horses have to follow a strict diet, which is why sugar is out as a glue, other horses tolerate fruit quite poorly, and still others are allergic to some plants. Since each horse is different and the owner of the horse always knows best about the habits and problems, this recipe book also includes a theory section in which it is explained exactly how the horse's stomach actually works, which herbs are particularly helpful and which plants should rather be kept away from. With the knowledge in this

book the first own recipes will soon develop. **Swedish Cakes and Cookies** 2008-06-17 A full-color guide to delectable Swedish cakes and cookies—3.4 million copies sold in Sweden, a copy for every Swedish family! **Christmas at Grandma's** Gooseberry Patch 2015-06-02 Snowflakes are swirling, carolers are singing and shoppers are crowding into shops...Christmas is coming! *Garland Roses II* Kathryn L.m. Reynolds 2017-06-13 *Garland Roses II* At long last here is the second book in the *Garland Roses* series! *Garland Roses II* takes up where the first story left off. Within the pages of this book you will be reunited with all your favorite characters from *Garland Roses I*, as you are introduced to new ones as this story unfolds. However I do need to add that *Garland Roses II* is much more action packed than the first book in this series was, not to mention that there are a lot of unexpected twists and turns within the pages that will take you completely by surprise! However just like the first book this one will also make you smile, laugh, tear up, and cause you to fall in love with most of the characters within its pages. While this story begins where *Garland Roses I* left off, it soon takes off on into its own unforgettable tale of romance and intrigue.

Within the pages of this book Falcon's and Henrietta's romance continues with a lot of humorous and suspenseful ups and downs in it, right along with Annie Smith's rocky romance with a certain Shadow Creek Sheriff by the name of Andrew C. Blackner. Both romances revolve around the dangerous situation Annie becomes embroiled in when on the way home from Joel and Kathy Garland's wedding she becomes the key witness in the murder of a Washington State Trooper, which is linked to the deaths of several undercover FBI and DEA agents as well. Catapulted into a terrifying situation, Annie is forced into protective custody to keep her safe from a chillingly cold-blooded killer who is responsible for the deaths of a state trooper and several undercover agents. Nick Stone and the entire C.O.P.S. Investigation and Protection Agency are in charge of her protection and safety, and two bodyguards

have been assigned to be her primary protectors. While Annie appreciates the fact that Henrietta Henderson is one of her bodyguards, she is not happy that Sheriff Andrew C. Blackner is the second bodyguard assigned to her protection. Not only is the sexy sheriff the one who gave her a hefty ticket and changed her flat tire on her way to Kathy and Joel's wedding, but she is extremely nervous to be around him because of the powerful feelings and sensations that he alone is able to generate within her. Not to mention she was unnerved by his uncanny ability to easily read and discern her every thought and feeling. His all too knowing and keen gazes flusters her to no end. Annie is running scared, but it's not because she's on a known killer's hit list...

A Scary Little Christmas Matthew C. DuPée  
2022-06-07 Controversial yet beloved among audiences, Christmas-themed horror movies emerged in the early 1970s and gained a notorious reputation with *Silent Night, Deadly Night* (1984), depicting Santa as an ax-wielding maniac. Some parents and conservative groups condemned the film, while others embraced the portrayal of Yuletide as a backdrop for fear and dread. Drawing on interviews with directors,

producers, special effects artists, photographers and actors, this book celebrates the sordid, colorful history of the Christmas horror subgenre. *Psycho Santa* films such as *Christmas Evil* (1980) and *3615 Code Pere Noel* (1989) are examined, along with "Yule-Die" slashers like *The Dorm that Dripped Blood* (1982), *Black Christmas* (1974) and *Silent Night, Bloody Night* (1972). Commercial successes like *Gremlins* (1984) and *Rare Exports: A Christmas Tale* (2010) are covered, as well as more recent releases such as *Better Watch Out* (2016), *Red Christmas* (2016) and *Deathcember* (2019). Rare photographs, promotional materials and an annotated filmography are provided.
