But Marty's parents and, with some trepidation, Marty himself persist in their attempts to be good neighbors and to give Judd a second chance. Now that Marty has Shiloh, maybe he can help Judd to take better care of his other dogs. Then again, maybe folks are right -- there's no way a Judd Travers can ever change for the good. Exploring Children's Rights Rolf Gollob 2007-01-01 Children should know what rights they have, but they should also learn how to appreciate and to use them. To achieve this, schools must allow for a wide range of learning experiences in children's rights education. Children understand and appreciate their rights by using them, both in school and in everyday life. To encourage children to do so, the challenge for the teacher is to create a setting that is governed by the spirit of democracy and human rights.This manual has been designed for teachers who are looking for tools to teach children's rights to students at primary schools. The features of this manual include: nine small projects of four lessons each, for students in their first nine years of school; detailed lesson instructions that can be followed by beginners or used in teacher training; a lesson plan including the key questions and key tasks in each at the beginning of each project description; an approach of task-based learning, focusing on problem solving and learning by example, which supports the pupils in conceptual learning, skills training and the development of values and attitudes.

Critical Themes in Drama Kelly Freebody 2021-03-25 Critical Themes in Drama is concerned with the relationship between drama and the current socio-political context. It builds on and contributes to ongoing scholarly conversations regarding the use, benefit, challenges and opportunities for drama and theatre as a social, cultural, educational and political act. The intention of this book is to canvas current theory and practice in drama, to provide an extended examination of how drama as a pro-social practice intersects with socio-cultural institutions, to link critical discourse and examine ways drama may contribute to a broader social justice agenda. Authors draw on a variety of theoretical tools from the fields of sociology, anthropology and cultural studies. This combines with an exploration of work from drama practitioners across a variety of countries and practices to provide a map of how the field is shaped and how we might understand drama praxis as a social, cultural and political force for change. This book offers drama scholars, practitioners, researchers and teachers a critical exploration which is both hopeful and critical; acknowledging the complexities and potential pitfalls, while celebrating the opportunities for drama as a practice for social action and positive change.

This is the story of Azar Nafisi's dream and of the nightmare that made it come true. For two years before she left Iran in 1997, Nafisi gathered seven young women at her house every Thursday morning to read and discuss forbidden works of Western literature. They were all former students whom she had taught at university. Some came from conservative and religious families, others were progressive and secular; several had spent time in jail. They were shy and uncomfortable at first, unaccustomed to being asked to speak their minds, but soon they began to open up and to speak more freely, not only about the novels they were reading but also about themselves, their dreams and disappointments. Their stories intertwined with those they were reading—Pride and Prejudice, Washington Square, Daisy Miller and Lolita—their Lolita, as they imagined her in Tehran. Nafisi's account flashes back to the early days of the revolution, when she first started teaching at the University of Tehran amid the swirl of protests and demonstrations. In those frenetic days, the students took control of the university, expelled faculty members and purged the curriculum. When a radical Islamist in Nafisi's class questioned her decision to teach *The Great Gatsby*, which he saw as an immoral work that preached falsehoods of “the Great Satan,” she decided to let him put *Gatsby* on trial and stood as the sole witness for the defense. Azar Nafisi’s luminous tale offers a fascinating portrait of the Iran-Iraq war viewed from Tehran and gives us a rare glimpse, from the inside, of women’s lives in revolutionary Iran. It is a work of great passion and poetic beauty, written with a startlingly original voice. Praise for *Reading Lolita in Tehran* “Anyone who has ever belonged to a book group must read this book. Azar Nafisi takes us into the vivid lives of eight women who must meet in secret to explore the forbidden fiction of the West. It is at once a celebration of the power of the novel and a cry of outrage at the reality in which these women are trapped. The ayatollahs don’ t know it, but Nafisi is one of the heroes of the Islamic Republic.”—Geraldine Brooks, author of *Nine Parts of Desire*

The Good Soldier Ford Maddox Ford 2021-01-28 The Good Soldier is considered Ford's masterpiece. This tale of adultery and deceit centers around two couples, Edward and Leonora Ashburnham, and their American friends, John and Florence Dowell. John Dowell narrates the events of Florence's affair with Edward, the "good soldier," and her subsequent suicide. Through Dowell's confused and perhaps unreliable narrative, Ford attempted to recreate real thoughts. This literary technique was a forerunner to literary techniques employed by such later writers as Samuel Beckett and J.M. Coetzee. Ford Madox Ford (Ford Madox Hueffer) was born in 1873. He was a novelist, poet, literary critic, editor, and one of the founding fathers of English Modernism. He published over eighty books, including two collaborations with Joseph Conrad (Inheritors in 1901 and Romance in 1903). He died in 1939.

The Most Dangerous Game Richard Connell 2021-01-01 **♥♥** The Most Dangerous Game by Richard Connell **♥♥** The Most Dangerous Game, also published as The Hounds of Zaroff, is a short story by Richard Connell first published in Collier's magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s. **♥♥** The Most Dangerous Game by Richard Connell **♥♥** Big-game hunter Sanger Rainsford and his friend, Whitney, are traveling to the Amazon rainforest for a jaguar hunt. After a discussion about how they are "the hunters" instead of "the hunted," Whitney goes to bed and Rainsford hears gunshots. He climbs onto the yacht's rail and accidentally falls overboard, swimming to Ship-Trap Island, which is notorious for shipwrecks. On the island, he finds a palatial chateau inhabited by two Cossacks: the owner, General Zaroff, and his gigantic deaf-mute servant, Ivan. **♥♥** The Most Dangerous Game by Richard Connell **♥♥** Zaroff, another big-game hunter, knows of Rainsford from his published account of hunting snow leopards in Tibet. Over dinner, the middle-aged Zaroff explains that although he has been hunting animals since he was a boy, he has decided that killing big-game has become boring for him, so after escaping the Russian Revolution he moved to Ship-Trap Island and set it up to trick ships into wrecking themselves on the jagged rocks that surround it. He takes the survivors captive and hunts them for sport, giving them food, clothing, a knife, and a three-hour head start, and using only a small-caliber pistol for himself. Any captives who can elude Zaroff, Ivan, and a pack of hunting dogs for three days are set free. He reveals that he has won every hunt to date. Captives are offered a choice between being hunted or turned over to Ivan, who once served as official knouter for The Great White Czar. Rainsford denounces the hunt as barbarism, but Zaroff replies by claiming that "life is for the strong." Realizing he has no way out, Rainsford reluctantly agrees to be hunted. During his head start, Rainsford lays an intricate trail in the forest and then climbs a tree. Zaroff finds him easily, but decides to play with him as a cat would with a mouse, standing underneath the tree Rainsford is hiding in, smoking a cigarette, and then abruptly departing. **♥♥** The Most Dangerous Game by Richard Connell **♥♥** After the failed attempt at eluding Zaroff, Rainsford builds a Malay man-catcher, a weighted log attached to a trigger. This contraption injures Zaroff's shoulder, causing him to return home for the night, but he shouts his respect for the trap before departing. The next day Rainsford creates a Burmese tiger pit, which kills one of Zaroff's hounds. He sacrifices his knife and ties it to a sapling to make another trap, which kills Ivan when he stumbles into it. To escape Zaroff and his approaching hounds, Rainsford dives off a cliff into the sea; Zaroff, disappointed at Rainsford's apparent suicide, returns home. Zaroff smokes a pipe by his fireplace, but two issues keep him from the peace of mind: the difficulty of replacing Ivan and the uncertainty of whether Rainsford perished in his dive.
