The Age of Miracles Marianne Williamson 2009-09-16 From THE AGE OF MIRACLES Sometimes what we appear to have lost is simply something it was time to leave behind. Perhaps our system just lets something go, our having moved through the experience and now needing it no more. A friend of mine was sitting once with two of his best friends, a couple he'd partied long and hard with during the 1960s. At about ten in the evening, the couple's twentysomething daughter came home, saw them on the couch, and admonished them, "You guys are so boring! You never go out!" To which all three responded in unison, "We were out, and now we're in." The mind is its own kind of dance floor. If in fact the highest, most creative work is the work of consciousness, then in slowing down we're not doing less; we're doing more. Having slowed down physically, we're in a better space to rev up psychically. We are becoming contemplative. We are shifting from the outer to the inner not in order to begin our demise, but to reseed and regreen the consciousness of the planet. And that's what is happening now: We're going slower in order to go deeper, in order to go faster in the direction of urgently needed change in the world. - Marianne Williamson

Sapiens Yuval Noah Harari 2015-02-10 New York Times Bestseller A Summer Reading Pick for President Barack Obama, Bill Gates, and Mark Zuckerberg From a renowned historian comes a groundbreaking narrative of humanity's creation and evolution—a #1 international bestseller—that explores the ways in which biology and history have defined us and enhanced our understanding of what it means to be “human.” One hundred thousand years ago, at least six different species of humans inhabited Earth. Yet today there is only one—homo sapiens. What happened to the others? And what may happen to us? Most books about the history of humanity pursue either a historical or a biological approach, but Dr. Yuval Noah Harari breaks the mold with this highly original book that begins about 70,000 years ago with the appearance of modern cognition. From examining the role evolving humans have played in the global ecosystem to charting the rise of empires, Sapiens integrates history and science to reconsider accepted narratives, connect past developments with contemporary concerns, and examine specific events within the context of larger ideas. Dr. Harari also compels us to look ahead, because over the last few decades humans have begun to bend laws of natural selection that have governed life for the past four billion years. We are acquiring the ability to design not only the world around us, but also ourselves. Where is this leading us, and what do we want to become? Featuring 27 photographs, 6 maps, and 25 illustrations/diagrams, this provocative and insightful work is sure to spark debate and is essential reading for aficionados of Jared Diamond, James Gleick, Matt Ridley, Robert Wright, and Sharon Moalem.

A New Reference Grammar of Modern Spanish John Butt 2012-12-06 (abridged and revised) This reference grammar offers intermediate and advanced students a reason ably comprehensive guide to the morphology and syntax of educated speech and plain prose in Spain and Latin America at the end of the twentieth century. Spanish is the main, usually the sole official language of twenty-one countries, } and it is set fair to overtake English by the year 2000 in numbers 2 of native speakers. This vast geographical and political diversity ensures that Spanish is a good deal less unified than French, German or even English, the latter more or less internationally standardized according to either American or British norms. Until the 1960s, the criteria of internationally correct Spanish were dictated by the Real Academia Espanola, but the prestige of this institution has now sunk so low that its most solemn decrees are hardly taken seriously - witness the fate of the spelling reforms listed in the Nuevas normas de prosodia y ortograjia, which were supposed to come into force in all Spanish-speaking countries in 1959 and, nearly forty years later, are still selectively ignored by publishers and literate persons everywhere. The fact is that in Spanish 'correctness' is nowadays decided, as it is in all living languages, by the consensus of native speakers; but consensus about linguistic usage is obviously difficult to achieve between more than twenty independent, widely scattered and sometimes mutually hostile countries. Peninsular Spanish is itself in flux.

SOS Help for Parents Lynn Clark 1996-01-01 This second edition of "SOS" provides parents with guidance for handling a variety of common behavior problems based on the behavior approach to child rearing and discipline. This approach suggests that good and bad behavior are both learned and can be changed, and proposes specific methods, skills, procedures, and strategies for parents to use in getting improved behavior from their children. The guide is divided into four sections. Section 1 presents some fundamentals of child behavior and effective discipline. Some of the causes of children's misbehavior are examined as well as ways of increasing good behavior and eliminating bad ones. Section 2 provides advice for implementing the "time-out" method. Section 3 gives suggestions on how to: (1) manage bad behavior away from home; (2) use points, tokens, and contracts; (3) use time-out on two children at the same time; (4) use time-out on a toy instead of the child; (5) handle aggressive and dangerous behavior; and (6) help children express feelings. Section 4 suggests some additional resources for helping children. Each chapter includes a review of the most important ideas and instructions presented. The book's two appendices include an index of problem behaviors, quizzes and answers for parents, more resources for professionals, and tear-out sheets for parents and teachers. Approximately 60 references are included. A videotape, not available from ERIC, demonstrates the child-rearing rules, and errors to avoid, as well as other child management methods. A printed "Video Leader's Guide" for the training leaders provides objectives, suggested outlines for workshops, and guidelines for discussing the behavior vignettes in the video. Workshop evaluation forms and handouts are appended. A parent audio cassette on how to use "time out" effectively is also part of this multimedia package. (HTH)

Nineteen Eighty-Four George Orwell 2021-01-09 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

The Awakened Family Shefali Tsabary 2016 ""New from the New York Times bestselling author of *The Conscious Parent* comes a radically transformative plan that shows parents how to raise children to be their best, truest selves,"--Amazon.com."

Kiss Me Carlos González 2020-06-11 How we parent our children is at the heart of our relationships with them - and Dr Carlos Gonzalez, a renowned Spanish paediatrician and father, believes that our children deserve all the love we can give them. If we reject the routines and excessive discipline promoted by self-styled childcare experts, and instead parent with love, respect and freedom, we can allow our children to grow and thrive both physically and emotionally. A bestseller in Spain, *Kiss Me* encourages parents to see the good in their children and nurture it carefully, forging warm and rewarding family relationships. With discussions of how to handle common parenting issues including sleep, rewards and punishment and carving out quality time with our children, this warm and reassuring book is hugely valuable for parents in today's world.

The Awakened Family Shefali Tsabary, Ph.D. 2017-05-30 FINALIST FOR THE BOOKS FOR A BETTER LIFE AWARD • NEW YORK TIMES BESTSELLER "Parents . . . you will be wowed and awed by [Dr. Shefali]." —Oprah Winfrey As seen on Oprah's SuperSoul Sunday, a radically transformative plan that shows parents how to raise children to be their best, truest selves, from the New York Times bestselling author of *The Conscious Parent*. What if...? What if I told you that you can put an end to all of your parenting struggles? That you can learn to parent without fear or anxiety? That you can end conflict with your children? That you can create close and connected relationships within your family? ...Would you accept this invitation to a revolution in parenting? We all have the capacity to raise children who are highly resilient and emotionally connected. However, many of us are unable to because we are blinded by modern misconceptions of parenting and our own inner limitations. In *The Awakened Family*, I show you how you can cultivate a relationship with your children so they can thrive; moreover, you can be transformed to a state of greater calm, compassion and wisdom as well. This book will take you on a journey to transcending your fears and illusions around parenting and help you become the parent you always wanted to be: fully present and conscious. It will arm you with practical, hands-on strategies and real-life examples from my experience as a parent and clinical psychologist that show the extraordinary power of being a conscious parent. Everyone in your family is ready to be awakened. Will you take this journey with me? —Shefali **The Power of Now** Eckhart Tolle 2010-10-06 To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

Giving a father's insight into life with his daughter Maria, aged 12, who has autism, this comic tells the story of their week holiday in the Canary Islands, Spain. Delightful illustrations and dialogue between father and daughter show the day-to-day challenges that people with autism and their carers face, and how Miguel and Maria overcome them. Funny and endearing, this comic helps to show how Maria sees and experiences the world in her own way and that she's unique, just like everyone else.

The Giver Lois Lowry 2014-07-01 Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Daring Greatly Brené Brown 2013-01-17 Researcher and thought leader Dr. Brené Brown offers a powerful new vision in *Daring Greatly* that encourages us to embrace vulnerability and imperfection, to live wholeheartedly and courageously. 'It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; .

. . who at best knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly' -Theodore Roosevelt Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. Challenging everything we think we know about vulnerability, Dr. Brené Brown dispels the widely accepted myth that it's a weakness. She argues that vulnerability is in fact a strength, and when we shut ourselves off from revealing our true selves we grow distanced from the things that bring purpose and meaning to our lives. Daring Greatly is the culmination of 12 years of groundbreaking social research, across the home, relationships, work, and parenting. It is an invitation to be courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is daring greatly. 'Brilliantly insightful. I can't stop thinking about this book' -Gretchen Rubin Brené Brown, Ph.D., LMSW is a #1 New York Times bestselling author and a research professor at the University of Houston Graduate College of Social Work. Her groundbreaking work was featured on Oprah Winfrey's Super Soul Sunday, NPR, and CNN. Her TED talk is one of the most watched TED talks of all time. Brené is also the author of The Gifts of Imperfection and I Thought It Was Just Me (but it isn't). **10-10-10** Suzy Welch 2009-04-20 Today, the world offers us more options than ever before, but it also forces us to juggle more priorities, to make more choices, and to make them faster. The result: a crisis of doing too much, or not enough, and making our decisions based on impulse, stress or guilt. In 10-10-10 Suzy Welch offers an exciting, effective strategy that will help you make the right decision in any situation, at work or at home; with colleagues, family or friends. The rule is deceptively simple: when faced with a decision, consider what the consequences and outcomes of your various options would be in 10 minutes, 10 months, and 10 years. But the results are extraordinary. Using the framework of 10-10-10 will allow you to think through your decisions and to match them with the expectations and values you hold dearest. Most importantly, it allows you to chart a path in the direction you want, and to head confidently towards it with focus, balance, and joy.

Padres Conscientes/ The Conscious Parent Shefali Tsabary 2011-05 Ha llegado el momento de que la crianza de los hijos se ocupe de lo que debera haberse ocupado siempre: de los padres. Una visión diferente e innovadora de la doctora Shefali Tsabary para la crianza de los hijos. Prólogo del Dalai Lama. La doctora Shefali Tsabary explica que nuestros hijos solo pueden convertirse en adultos conscientes si nosotros, como padres, procuramos elevarnos a un estado superior de consciencia. Cambiando por completo la idea tradicional de crianza de los hijos, la doctora Tsabary aleja el epicentro de la clásica relación padres-hijos basada en que los primeros lo saben todo y lo lleva a una relación mutua en la que los padres también aprenden de los hijos. Este innovador estilo parental reconoce la capacidad de los hijos para provocar una profunda búsqueda interior, lo que origina una transformación en los padres: en vez de ser simples receptores del legado psicológico y espiritual de sus progenitores, los hijos obran como facilitadores de su desarrollo. Ahora el centro de atención reside en la afinidad reciproca y la asociación espiritual del viaje padres-hijos. En el enfoque de la doctora Tsabary sobre el estilo parental, los hijos funcionan como espejos del yo olvidado de los padres. Tan pronto como recuperan su esencia, los padres entran en comunión con sus hijos. Los unos y otros descubren su capacidad para relacionarse en un estado de presencia. ENGLISH DESCRIPTION Instead of being merely the receiver of the parents' psychological legacy, children function as ushers of the parents' development. Parents unwittingly pass on an inheritance of psychological pain and emotional shallowness. To handle the behavior that results, traditional books on parenting abound with clever techniques for control and quick fixes for dysfunction.

The Little Book on Meaning Laura Berman Fortgang 2009-04-30 An invaluable guide and companion for anyone seeking greater meaning and purpose in life. A nominee for the Books for a Better Life award! As a pioneer in the field of life coaching, Laura Berman Fortgang has spent decades helping people figure out what they want to do with their lives. And so it was a bit of a surprise when a theme she heard repeatedly from clients emerged in her own thinking and would not be dismissed: work didn't feel as "meaningful" to her as it once had. It was one of those big realizations one has from time to time. The funny thing was that it turned out the "solution(s)" to her problem were quite small... In The Little Book on Meaning Laura Berman Fortgang reveals that while our hunger for a meaningful life can be enormous, our desire for meaning is usually satiated by small, bite-size morsels of meaning—the small, almost incidental events or "achievements" that comprise the fabric of our lives. According to Fortgang, meaning is where you look for it, and through tenderly drawn stories from her own life and the lives of those around her, she shows readers how they too can peek around corners to discover the small elements of their lives that truly matter.

The Bible of Clay Julia Navarro 2011-02-04 A compelling new novel that combines past and present in a riveting search for the source of the Book of Genesis itself. In her provocative second novel, Spanish author Julia Navarro takes readers on an exhilarating journey across centuries and continents, as an upstart archeologist and a murderous group of conspirators vie for a treasure that will rewrite history—an explosive account of the world's creation recorded millennia ago by a humble scribe onto the legendary Bible of Clay. Moving back and forth through time, from the tense months preceding the contemporary war in Iraq, to ancient Mesopotamia, to the atrocities of the last century, this tale of vengeance, obsession, and the wholesale plundering of the ancient world's most priceless treasures is populated by an international cast of political opportunists, ruthless killers, and unsullied seekers of truth. The Bible of Clay is historical fiction at its richest, a sweeping saga that challenges at once both conventional geopolitics and the very foundations of modern religion.

Second Chance Robert T. Kiyosaki 2015-01-06 The international best-selling author of Rich Dad Poor Dad, shows readers how to understand the past so that they can shape their financial future and use the Information Age tools and insights to their financial advantage and to create fresh start. Broken Open Elizabeth Lesser 2008-10-30 NEW YORK TIMES BESTSELLER • This inspiring guide to healing and growth illuminates the richness and potential of every life, even in the face of loss and adversity—now updated with additional toolbox materials and a new preface by the author In the more than twenty-five years since she co-founded Omega Institute—now the world's largest center for spiritual retreat and personal growth—Elizabeth Lesser has been an intimate witness to the ways in which people weather change and transition. In a beautifully crafted blend of moving stories, humorous insights, practical guidance, and personal memoir, she offers tools to help us make the choice we all face in times of challenge: Will we be broken down and defeated, or broken open and transformed? Lesser shares tales of ordinary people who have risen from the ashes of illness, divorce, loss of a job or a loved one—stronger, wiser, and more in touch with their purpose and passion. And she draws on the world's great spiritual and psychological traditions to support us as we too learn to break open and blossom into who we were meant to be.

Baby Names Suzanne Thomas 2018-06-05 Choosing a baby name is quite a complex process. For one, the number of possibilities is outstanding. It can be a little too overwhelming. This book is here to help you figure out the most suited for your baby. Most people have the impression that spiritual baby names are only for parents of religious background. The truth is it doesn't matter what your background is. Traditional baby naming may have been very strict but the rules are more flexible now. Today, you will meet little girls with boyish names although parents are a little more traditional in picking baby boy names. If you have not named a baby in the last two decades, you might be surprised on how much things have changed. It is likely you will encounter names that may have sounded ridiculous in your time but sound so cool today with kids. Whether they are cool and trendy, unusual and exotic, classic and timeless, all the names in this book have one thing in common. They are all inspired with powerful spiritual meanings. They are a price for your precious little miracles.

Estrellas disfrazadas: La preparación (Spanish Edition) Natalia Alzate 2019-08-07 Dos estrellas, Raquel y Chris, fueron elegidas para bajar a la tierra y tener una experiencia como humanos; como ha sucedido a lo largo de la historia de la humanidad, toda estrella elegida, debe pasar primero por una preparación antes de su nacimiento como humano. En los últimos años y debido a la situación de caos en la tierra producto del olvido generalizado por parte de los hombres de su condición de estrellas, esta preparación se ha venido intensificando, para que las estrellas una vez estén disfrazados de humanos en la tierra, puedan cumplir la misión a la cual fueron llamadas y puedan realizar su aporte a la humanidad a través del amor, logrando con esto evolución para ellas y para la tierra. Para lograr tener esta experiencia de vida en la tierra, Raquel y Chris, deberán aprobar cada una de las cuatro lecciones que comprenden esta Preparación: 1. Descubrir la Misión 2. La Elección del Lugar 3. Aprender a Conectarse 4. Disfrutar la experiencia. La preparación culminará al momento de su nacimiento como humanos, momento a partir del cual deberán recordar todo lo aprendido en el cielo. Y si por fin te dieras cuenta que eres una estrella disfrazada de humano... Y si por fin pudieras dar respuesta a los interrogantes de tu vida... Y si por fin pudieras conectarte nuevamente a tu fuente... Y si al conectarte por fin pudieras dar un significado a tu vida... Entonces este libro habrá valido la pena.

The Diary of a Young Girl Anne Frank 2010-09-15 THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. **Saving My Family** Rachel Hudson 2021-05-19 Saving My Family By: Rachel Hudson I roll on my side in the darkness and stare at the outline of my husband. I watch him breathe and think about the rest of my family trying to kill us. I have one chance to save us all; failure is not an option.
